**LICENSES AND PERMITS; PROCEDURES AND FEES**

Section 1000 - General provisions

1000.01. Policy: purpose. By the enactment of this chapter, the city council intends to establish to the maximum degree possible a uniform system for the issuance, revocation, suspension renewal of licenses and permits for all activities for which licenses and permits are required by this code. The council also intends that fees for licenses and permits required by this code shall be those set by this chapter.

1000.03. Application of chapter. Subdivision 1. General. Where a provision of this code requiring a license or a permit contains no procedure for issuance, revocation, suspension, renewal or fee, the provisions of this chapter apply.

Subd. 2. Other provisions. Where a provision of this code requiring a license or a permit contains procedures for its issuance, revocation, suspension, renewal or the procedure for a pro rata payment of a fee, those provisions prevail over this chapter.

Subd. 3. Conflicts. Where a direct conflict exists between the amount of a license or permit fee set by any provisions of this code and a fee set by this chapter, the fee set by this chapter applies.

1000.05. License Fee Modifications. The City Council from time to time may modify, amend, add, or delete the amount or type of licenses, permits, and corresponding fees and charges thereof by the adoption of a resolution describing the modification. (Added Ord. No. 91-680)
