DOWNTOWN LAKEVILLE BUSINESS ASSOCIATION

Preserving & Redeveloping Historic Downtown Lakeville

DOWNTOWN LAKEVILLE BUSINESS ASSOCIATION

The Downtown Lakeville Business Association special service district is a non-profit organization that began in 1995. It is supported by a special service district tax, with the goal of preserving and redeveloping historic downtown Lakeville.

Mission Statement: To create a unique “downtown” business environment which blends the cultural historical, and economic opportunities of a rapidly growing community situated in a major metropolitan area.

WELCOME!

There are lots of reasons to think Hopkins, MN. For big-time entertainment without big-time traffic...for development opportunities you don't want to miss...for a slice of small town in the big city...Think Hopkins! - [The 13th Friendliest City in America.](#)

Think Hopkins is a marketing initiative sponsored by the City of Hopkins and the Hopkins Business and Civic Association. The goal is to declassify Hopkins, MN as one of the best kept secrets. You will also see strategically-placed advertising, news articles and promotions aimed at three target audiences, Hopkins residents; business owners and employees; visitors and prospective businesses and developers.
