

OPEN

For the first time ever
in Hopkins!

STREETS

The first-ever Hopkins Open Streets Event is an opportunity to celebrate the things we love about Hopkins and discover new things we never knew were here.

Mainstreet will be temporarily closed to motorized traffic between 7th Avenue and 13th Avenue, and the festivities will continue through Central Park to the Fire Station.

The area will be opened up for people to walk, bike, skate and play. Residents will be able to move at their own speed as they enjoy activities, games, live performances, food, drinks and more.

Saturday,
October 14
12 to 5 p.m.
