Hi Ellen,

Please accept my thanks for your assistance with the arrangements for the Metropolitan Council's public hearing on July 8. The Jaycee studio was a great venue, and the staff at your facility went out of their way to assure we had everything we needed for a successful event. My thanks go out especially to Mary Lahaie for searching through every nick and cranny to find us an extra mike, and to your equipment manager, who was willing to come back in to the facility to see we had everything we needed.

It was a treat to see the bustle of downtown Hopkins on a sunny summer evening, to see the diversity of events occurring at your facility, and to work at a location that had the space, equipment and accessibility to serve as a great meeting point for public participation.

Thanks again -- I enjoyed working with each of you.
