2013 General Fund Budget

At the Sep 4th Council meeting the Council set the 2013 General Fund budget at \$10,605,477. This is a 0.46% increase over 2012. The lower than expected increase is due primarily to the \$300,000 annual savings realized by moving dispatch to Hennepin County. The Council also set the 2013 preliminary levy at \$10,352,720, a 0.99% increase over 2012. The levy was kept down despite adding over \$231,000 in debt levies for street improvements and equipment purchases. We were able to use other revenue sources including the increase in the gas and electric franchise fees to offset the new debt levies.

The public is invited to comment on the 2013 budget at the budget hearing to be held Dec 4th at 7:30 pm in the City Hall Council Chambers. 🍷

The Mysstory Image Quest: The Quest Is On!

The Hopkins Center for the Arts is inviting everyone to participate in a new cell phone art project, the Mysstory Image Quest. As the Elder says, "I will cause a story to be made. It will have five pictures, each with a secret name. You will capture the pictures using only the magic in the palm of your hand. You will deliver them to me". Here is how the quest works:

- All you need is your phone
- The Elder requires five pictures, and each has a secret name
- Accept the Quest at mysstory.com
- Get the first secret name
- Grab your phone and capture the picture
- Send the picture in and when you succeed
- You will get the next secret name when you succeed

Mysstory Image Quest is a project of the Friends of the HCA.

In an effort to adapt to the advancements in meter reading technology, the City has been upgrading our radio read water meter reading system. This new flexible technology is expected to meet the City's water meter reading needs for the next 20 years. In Nov 2012, the City will resume ongoing efforts to replace the transponders. The focus is on 9th Ave N west to Shady Oak Rd and south of Highway 7 to Mainstreet. Residents in these areas will receive transponder change out notification letters in Oct 2012. 🍷
