Vote On Tuesday, November 6

The State and Presidential General Election will take place on Tuesday, November 6. Polls will be open from 7 am to 8 pm. To find out where your polling place is located, visit www.hopkinsmn.com/elections or call City Hall at 952-35-8474.

Here Comes The Snow...Don't Get Towed!

Call the Snow Line, 952-939-1399, for snow emergency declarations

The City of Hopkins can declare a snow emergency upon a two-inch snowfall. Parking restrictions remain in effect until streets are plowed curb-to-curb and parking lots and ramps are completely plowed. Snow depths are measured in Hopkins and may not coincide with the snow depths reported at the Twin Cities Airport. Snow emergencies are announced on the Hopkins Police Department's recorded snow line at 952-939-1399.

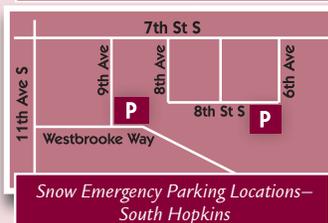

Vehicles left on the streets or in public parking lots during snow emergencies may be ticketed or towed. To avoid being towed, residents should remove vehicles from city streets and parking lots as soon as a snow emergency has been declared. If you have nowhere to park, there are emergency parking locations.

- Municipal Lot 300 just north of Downtown Park on 9th Ave S
- Maetzold Field parking lot—access from 1st St N
- East of 9th Ave S and north of Westbrooke Way between 9th Ave S and Nine Mile Creek
- Far east end of 8th St S near Valley Park

The City will also notify residents using an emergency notification system called "Global Connect". This system will call each resident to notify them that a city-wide snow emergency has been declared. Find out more about Global Connect on the city's website by typing "global connect" in the search box or by calling 952-548-6451. Visit www.hopkinsmn.com for snow emergency information.

Police Department Earns International Community Policing Award

The Police Department was recently recognized with an international community policing award given by the International Association of Chiefs of Police. This award recognized the partnership the police department formed with the Hopkins School District to create Operation Recess. Agencies world-wide may use it as an example of best practices for similar types of programs. Police Chief Reynolds and Police Captain Johnson recently attended the IACP conference in San Diego, CA, where they accepted the award. We look for continued success with Operation Recess in the future.

The Police department is preparing for a major change over to a new records management system in December. Many members are busy preparing for the changeover and new user training classes. This system will allow sharing of information with other law enforcement agencies more efficiently. This allows the police department to be virtually "paperless," with reports and record storage.

The Police Department as many of you know transferred dispatch services to Hennepin County on August 21st, 2012. This transition has gone very well. Sergeant Husevold continues to work with Hennepin County Personnel, when an occasional issue/procedural question comes up.

Attend the Public Hearing on the 2013 Budget

Interested in how your tax dollars are spent? Then attend the 2013 Budget Hearing on Tues, December 4th at 7:30 pm in the Council Chambers at City Hall. The 2013 budget will be presented along with the proposed 2013 tax levy. The Council set a proposed budget and levy in September and that is what will appear on the notice of proposed taxes that is mailed to every taxpayer. Staff has continued to work on the 2013 budget and will present an amended budget and final levy. This is the public's final opportunity to provide input on the budget before it's approved. All input is welcomed.
