When It Snows In Hopkins...

REMEMBER THESE RULES AND SAIL SMOOTHLY THROUGH WINTER

1 Move Your Car

To avoid being towed, remove your vehicle from City streets and parking lots as soon as a snow emergency is declared.

Snow emergencies may be declared upon a two-inch snowfall.

Call the Snow Line at 952-939-1399 for snow emergency announcements. To receive a message when a snow emergency is declared, visit www.hopkinsmn.com/fire/codered to register your phone number for the Code Red Emergency Notification System.

During a snow emergency, parking restrictions remain in effect until streets are plowed curb to curb and the parking lots and parking ramp are completely plowed.

If your vehicle is towed during a snow emergency, call Bobby & Steve's at 952-944-9955 to confirm the location of your vehicle. Vehicles are released only to the registered owners, so you will need to bring proof of ownership, proof of insurance, and a valid driver's license to claim your vehicle. Payment is accepted by cash (exact change only) or credit card. The impound lot is located at 5100 Park Glen Rd, St. Louis Park. *Note: The City receives no money when cars are towed—all fees go to the towing company.*

2 Shovel The Sidewalk

As mandated by City ordinance, Hopkins residents are responsible for removing snow and ice from public sidewalks within 12 hours of a snowfall. This is necessary for the safety of all who use the sidewalks. Remember—it is against the law for individuals to plow, shovel, blow, or place snow onto streets, alleys, and boulevards.

3 Clear The Fire Hydrants

While the City tries to clean snow from fire hydrants as soon as possible after a snow, we could use your help. Please adopt a nearby fire hydrant and keep it clear of snow through the winter. Hydrants should be cleared 5 feet on each side to give the Fire Department the quickest and best access. 🍓

DID YOU KNOW?

The City of Hopkins has 85 miles of streets and alleys, nine parking lots, eight municipal buildings with parking lots and sidewalks, and many more miles of public sidewalks and trails to maintain. It takes a minimum of seven hours to plow the city after a snowfall, and much more if the snowfall is 6 inches or greater. The day after a snowfall, efforts are largely dedicated to heavy snow removal from the Central Business District and Blake Road Corridor.

HOW IS A SNOW EMERGENCY CALLED?

The City determines when to call snow emergencies based on a combination of the amount of snow falling and the time of day it falls. Snow emergencies are typically called before 6 pm.

Four Hopkins Properties Honored

A panel of judges has selected four properties for the 2015 City of Hopkins Community Image Awards. The City Council honored the winners with an award presentation at its meeting on November 2.

Community Image Awards recognize significant improvements to a residence or business, including landscaping, accessibility, lighting, signs, and exterior improvements. They also honor continued superior maintenance of property that exemplifies pride of ownership and contributes to a positive image of the community. Awards are given in three categories.

Congratulations to this year's winners. 🍷
