

Music Sense

The goal of music therapy is to teach the children to play together and learn using music and art. The sessions include a fun and interactive way to prepare for early childhood development. They will learn basic music skills through dance and rhythm band. The classes will help to develop their language, social, musical, motor and emotional skills. Adults are required to attend and have fun!

Thursdays, Jan 12 - Feb 16, 2017 10:30-11:30am \$120

For kids 3-5 years old with an adult, all instruments are provided
